CONTACT INFO

My email is:

sholzapfel@youngstownacademy.org

School Phone number:
330-746-3970

I will be using Class Dojo as well for communication. Be on the lookout the first couple days of school for a paper explaining how to connect to it.

HEY EVERYBODY MY NAME IS MISS H!

I am so excited to get ready to start my 5th year at YAE as the first grade teacher. I can't wait to see the returning kindergartners from last year and meet our new students! We will have a lot of fun, and be doing a lot of learning in first grade. I hope that everyone had a fun and relaxing summer and is ready to start this 21-22 school year. I know I am!

MY EDUCATION

I started my college career at Westminster College in New Wilmington, PA. I went there for a year and a half then I took a semester off of school. I then returned to finish my degree at Youngstown State University. In 2017 I graduated with my degree in Early Childhood Education. I am licensed to teach PK-3rd grade.

MY LIFE

I was raised in a small town on the Ohio and PA border called Hartford. I went to Joseph Badger Schools and graduated high school in 2011. I currently live in Brookfield with my boyfriend Doug, our daughter Olivia, and our dog Callie.

Youngstown Academy of Excellence

Welcome to 3rd and 4th Grade Math and Science!

Hello AGAIN!

This will be my third year at YAE and the first two were CRAZY to say the least. Due to the pandemic, I feel that I we left 2020 unfinished and 2021 I started the year outside of the classroom for the safety of myself and *Alexia*. With 7 years of experience, I am so excited to be back in my HaPPy pLaCe, MATH AND SCIENCE. We are going to do so many **fun** things and of course we will **learn** a lot. I hope you all have a **fabulous** summer and I can't wait to hear all about it! Want to know a little more about me? Here are a few fun facts:

My Life!

I was born in Beaver, PA and was raised in Calcutta, Ohio. I graduated from Beaver Local High School in 2009 with a Varsity letter in swimming and volleyball. My husband's name is Drew and we have been married since May of 2016 and we have 3 fur babies, Aspen, Tiki and Colby. In 2020 we also have a baby girl.

My Education!

I graduated from Kent State University in May of 2014 with a Bachelor's Degree in Educational Studies and again with May of 2016 with a Bachelor's Degree in Early Childhood Education. I completed a 4-5 endorsement in the summer of 2016 through Ohio University. I am currently working on a Master's Degree from Western Governors University.

My Favorites!

Food: Chicken Alfredo

Movie: The Lion King

Kids Book: Miss. Nelson is Missing

Color: Green

Drink: High-C orange

Sports: Football and Baseball

Hobby: Traveling and Cooking

Feel free to write me a note at any time!

Hello! I am Mrs. Mitchell. I will be your student's third and fourth grade ELA and Social Studies teacher. I graduated proudly from YSU, with high honors in 2015. I have been here at YAE since 2015. I have taught grades 3-6, with a majority of my years in third grade. I am married to my wonderful husband, Justin, and between us we have 6 kids. We have a dog named Max and a fish named Queen Barb. When I am not teaching, I love to read books on my kindle, travel to Las Vegas or someplace very warm and bake, brownies, cookies or anything else my big family requests.

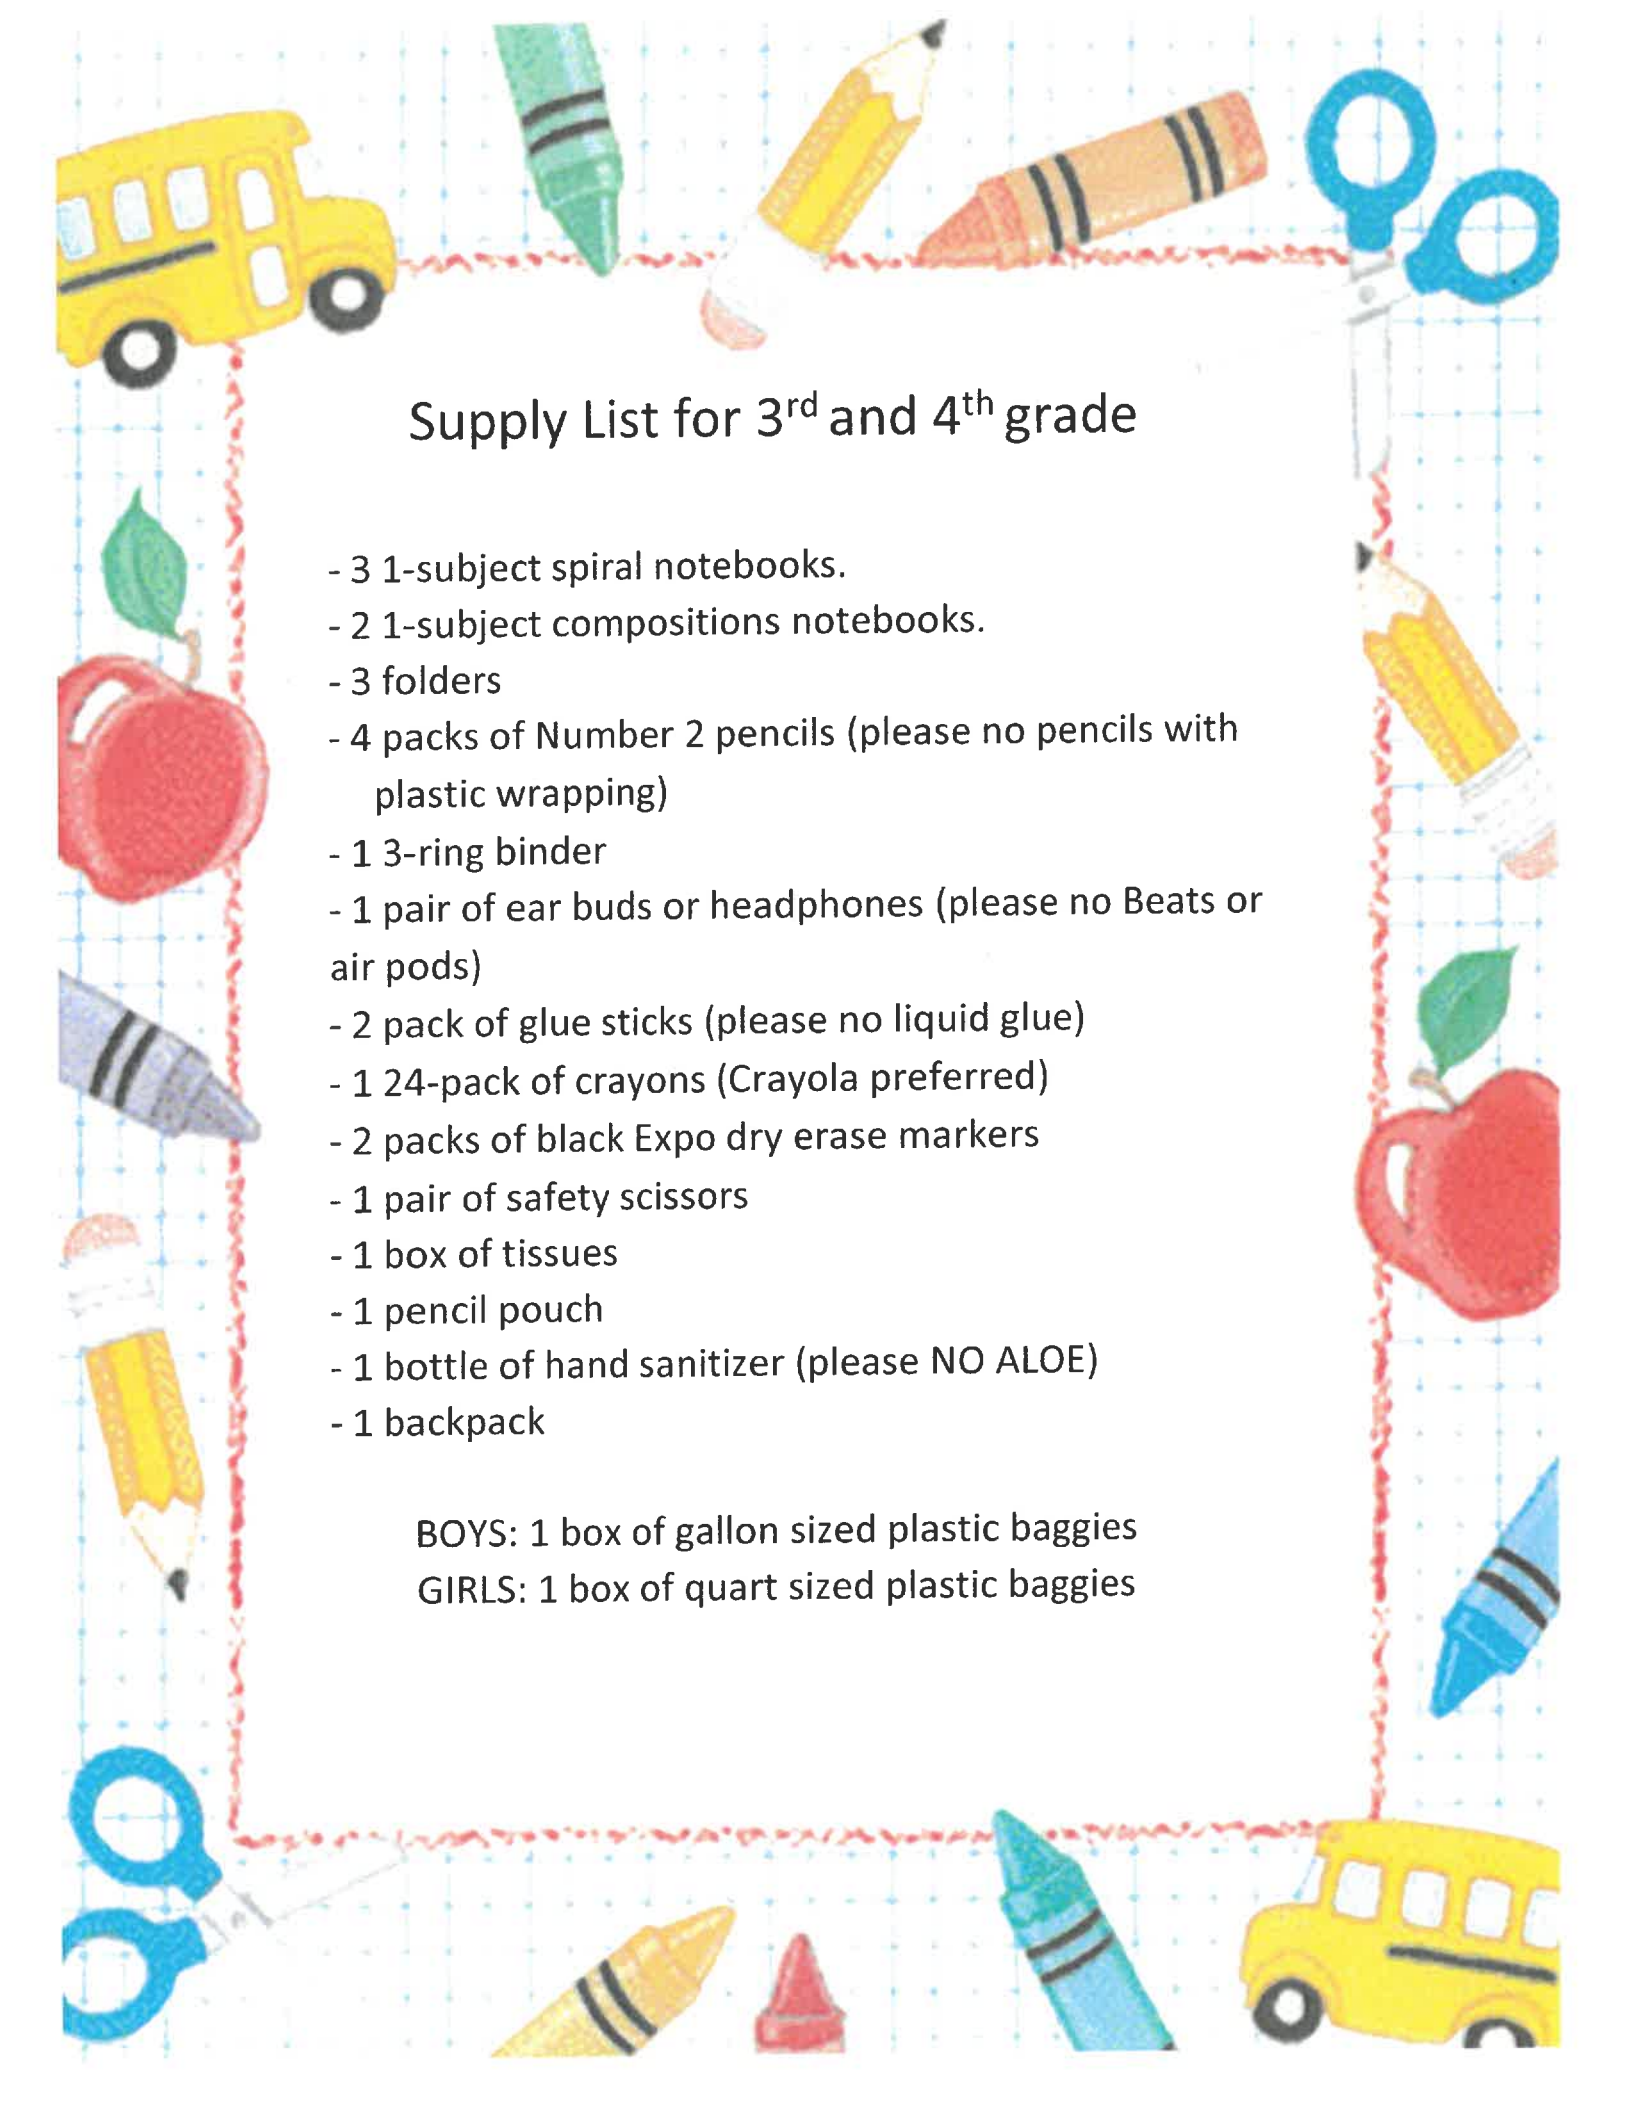

My favorite kid's books are Captain Underpants. My favorite food is cheeseburger. My favorite drink is Pepsi or flavored water. My favorite snacks are: Hot fries and any gummy candy/suckers. I love Michigan football and Major League Baseball. My favorite color is green. I love to play music during small group and center time.

I am looking forward to this upcoming school year. I have some fun and engaging projects planned. Like using our knowledge of the states and budgets to "plan a road trip to a different state." I also have some writing projects planned for the school year. Like, writing poetry and learning how to successfully argue our opinion about have school year round. It is my goal to have each student writing at least 3 paragraphs. As a class, we will be working towards earning desk pets. I am hoping that they will have earned them by Thanksgiving break. I will send home information about them when it gets closer to the time for them to 'adopt' their desk pet. Do not worry, they are erasers that are in the shape of animals.

I will be using class dojo to communicate with you throughout this school year. Be on the lookout at the beginning of the school year for the information dealing with those. I am always available through my email: bmitchell@youngstownacademy.org or call the school at (330)746-3970. You can also send a note with your student, whichever is easiest and best for you. Any questions or concerns, please feel free to reach out to Mrs. Long or myself. We will be happy to answer them.

I am so very excited about this new school year!

Mrs. Mitchell

A decorative border surrounds the text, featuring various school supplies and fruit. At the top left is a yellow school bus. To its right are a green crayon, a yellow pencil, and an orange crayon. At the top right is a pair of blue scissors. On the left side, from top to bottom, are a red apple with a green leaf, a purple crayon, a yellow pencil, and a pair of blue scissors. On the right side, from top to bottom, are a yellow pencil, a red apple with a green leaf, and a blue crayon. At the bottom, from left to right, are a yellow pencil, a red pencil sharpener, a blue crayon, and a yellow school bus.

- A pack of pencils
- A pack of highlighters
- A pack of crayons or colored pencils
- A pack of glue sticks
- Clorox Wipes
- Tissues
- Backpack
- Water Bottle

Welcome to YAE Middle School!

Dear Parents,

Hello! My name is Mr. Gotti, and I will be teaching your student ELA and Social Studies this school year. I am originally from Cleveland, Ohio, but grew up in Warren. After high school, I served in the US Army for six years before beginning a skilled trades career at General Electric. I attended Kent State University, where I earned my Bachelor's degree with honors and began my career in teaching. My wife and I have six children, and we recently welcomed our first grandchild to our family.

This will be my fifth year at YAE, and I am very excited about our plans for this year. We will be using a blend of traditional paper/pencil and digital resources to learn this year, I pride myself on creating a safe, welcoming, and enjoyable learning environment for our middle school family. We are professional in everything we do here at YAE, but that doesn't mean learning has to be boring. We have a lot of fun in my class as we learn from each other. If your child puts in the effort, he/she will demonstrate a great deal of noticeable growth over the school year.

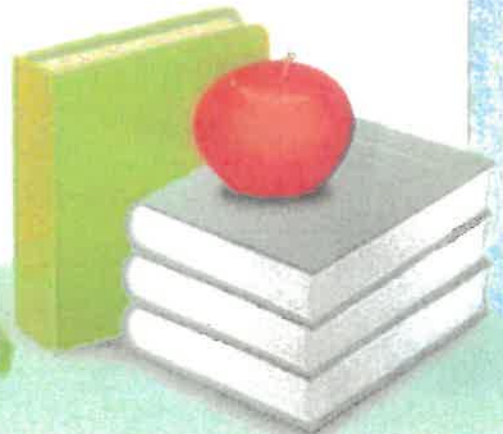

I am always available for consultation with parents. Teachers and parents should be partners in their child's education, and I do my best to be a team player. I look forward to meeting your student and beginning our adventure in learning together!

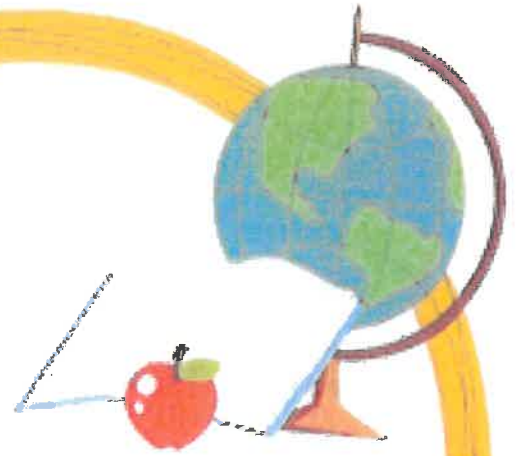

Best regards,

Mr. Gotti

Supply List:

- Pencils
- 3 Spiral Notebooks
- Scissors
- Ruler
- Colored Pencils
- Crayons
- Lock
- Backpack

Hello Parents,

I am Mr. Lucia and I am teaching your students Math and Science this year at Youngstown Academy of Excellence.

I graduated from YSU with a Bachelor of Science degree in Mathematics. I have over fifteen years of experience in manufacturing supervision, management as well as Industrial Engineering. I worked in the automotive industry, electronics industry and also the extrusion industry.

After much thought I decided on a career change and attended YSU and graduated Cum Laude from YSU with a Bachelor of Science degree in Education. I taught High School math for ten years. I have taught pre-Algebra, Basic Algebra, Algebra I, Honors Algebra, Geometry, Algebra II with Trigonometry, Probability and Statistics, Pre-Calculus, Personal Finance, as well as math test prep classes. Last year was my first year teaching Jr. High, and with the pandemic it was a challenge.

I am looking forward to being in the classroom again with students participating in both math and science. I hope to work with you as well as your students to make sure they are successful in their studies as well as preparing them for High School.

Thank you,

Mr. Lucia
